Get in to my system,  
Euphoria Euphoria Euphoria

Dance with the lizard  
Funk that monkey to the ground  
Shake till you blister war party hound  
Ta tongue twister I'm so addicted to your high  
Said the serpent withdraw  
You'll lose your mind

No no no, I don't need no doctor  
No 911 nurse in white  
No mercy love shock circe in flight  
No euthanasia hallucination fill my mind  
I chase the dragon,  
Our brave new worlds collide

Get into my system... Euphoria  
Get into my system... inject me in  
Get into my system  
Sweet tender drug  
Get into my system  
Let me feel the gods make  
Let me feel the gods make love

Like metal to the metal  
Frictions gonna start a fire  
No serum in the kettle  
Suffocating in the myre  
Take this lickin' stick ooh babe  
Meltdown begins  
Snake it under my skin

Get into my system... Euphoria  
Get into my system... inject me in  
Get into my system  
Sweet tender drug  
Get into my system  
Let me feel the gods make  
Let me feel the gods make!@#\$\$%  
Infatuation  
Emergency code blue

I just can't get over  
I just can't get over you
