I ride all alone and can't see
The road to nowhere anymore
And shadows whispers are calling me
To forbidden forests by the shore

And there she fell deep in the night
Oooh, one breath away from heaven's light
And she said
Don't cry for me, I'm leaving you

The wind cries her name in the breeze
But I can't hold her anymore (No, no more)
Some fallen angel had come to me
And fell too heavy on my soul

And stole from me the love that I'd
Heard lords of time say never died
And said
Don't cry for me, cause I'll be

Riding the wind forever free
High in the wind forever free
I'll ride the wind forever free
High in the wind forever free
Forever free

Forever in my heart, a fire, a fire burning
I wake up nights and hear her crying, crying my name

Riding the wind forever free
High in the wind forever free
I ride the wind forever free
High in the wind forever free
Forever free
