Demolition, mission-man
The old boy's hating me
I've become the one, they warned me about
Oh, he's gonna die before me

Long live, long live, long live the king of mercy
Long live, long live, is there no love?

I am one
The side you see
Is the nasty me
I am one

Love, I am one
I got something to prove
Nothing to lose
Oh, I am one

Eighteen bloody roses
Each a year that bled my soul
Eighteen and numb, I'm somebody's son
Mama, look what I've become

Long live, long live, long live the king of mercy
Long live, long live, is there no love?

I am one
The side you see
Is the nasty me
I am one

Love, I am one
I got something to prove
Nothing to lose
Oh, I am one

Is there a love to shelter me?
Only love can set me free
Is there a love to shelter me?
Only love, love set me free

Will he take me down to the gallows

And kill the boy inside the man?
I'm just a rock and roll nigger
I know he don't know what I am

I don't see my face in the mirror
And more or understand
Why am I the chosen one
I'm the crimson man

Long live, long live, long live the king of mercy
Long live, long live, is there no love

I am one
The side you see
Is the nasty me
I am one

Love, I am one
I got something to prove
And nothing to lose
Oh, I am one
