The target is me, a monster you free
I hate what you say and you do
A mirror is there and look if you dare
The fool that you see is only you

Oh no, you won't nail me to your tree
Or hang my head up high
No kingdom reigns over me
Despite all the liars I see
Don't give me your
'Save my soul' cure

I, I'm still alive and I am a soul survivor
You can't understand why
I, I'm still alive and I am a soul survivor
Damn you holy man alive

Can't understand, the Lord of the land
You heart and your head made of stone
Lay in the sand, my blood on your hands
For God's sake just leave me alone

Oh no, you won't nail me to your tree
Or hang my head up high
Restless is all I can be
Ruthless and reckless you see
I don't need your
'Save my soul' cure

I, I'm still alive and I am a soul survivor
You can't understand why
I, I'm still alive and I am a soul survivor
Damn you holy man alive

Force suppression, that's what you do
Tell me what's in it for you
Listen, I'm on to your game
All your lies are the same

I, I'm still alive and I am a soul survivor
You can't understand why
I, I'm still alive and I am a soul survivor

Damn you holy man

'Coz I, I'm still alive and I am a soul survivor
You can't understand why
I, I'm still alive and I am a soul survivor
Damn you holy man

'Coz I, I'm still alive and I am a soul survivor
You can't understand why
I, I'm still alive and I am a soul survivor
