=====

Lady have you known me-

The perfect love machine,

I'm Virgo, My Leo's rising

Venus made me King

That trail of broken hearts

They all belong to me

Magic runs through my fingers-

One touch you'll see

L.O.V.E All I want's my love machine

L.O.V.E All I want's my love machine tonight

What can I do for you,

Am I your wildest dream

What do I move in you

Am I what I seem

My eyes they lie and you cry

Love brings you pain

And if you try to love me

You'll not feel the same

L.O.V.E All I want's my love machine

L.O.V.E All I want's my love machine tonight
