Lady have you known me
The perfect love machine
I'm Virgo, my Leo's rising
Venus made me King

That trail of broken hearts
They all belong to me
Magic runs through my fingers
One touch you'll see

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine
Tonight, tonight

What can I do for you
Am I your wildest dream?
What do I move in you
Am I what I seem?

My eyes they lie and you cry
Love brings you pain
And if you try to love me
You'll not feel the same

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine
Tonight, tonight

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine

L.O.V.E
All I need's my love machine
L.O.V.E
All I need's my love machine
Tonight, tonight

All I need's
All I need's
All I need's my love machine
