Am I free? Am I done believing?  
God Jehovah, I've never known religion

Lost in the darkness of my memories  
Deep in the darkness of my heart  
Coiled in the grass's that torment me  
There lyes my serpents in the dark

Father, I'm here in the dark  
And I know it's forever night  
He tells me can you change forever  
My wicked heart

Father I'm here in the dark  
And I know my heart is the darkness  
Oh, tell me can you claim me never  
My darkest hour

Am I too far beyond forgiving?  
A borrowed soul ain't never known believing

Lost in the dark can you forgive me  
And deep in the darkness of my heart  
Coiled in the grass's that torment me  
There lies my serpents in the dark

Father, I'm here in the dark  
And I know it's forever night  
He tells me can you change forever  
My wicked heart

Father I'm here in the dark  
And I know my heart is the darkness  
Oh, tell me can you claim me never  
My darkest hour

Because nothing can change  
My wicked heart  
Nothing can tame  
My wicked heart  
Nothing unchains  
My wicked heart

Father  
Father  
Father

Father, I'm here in the dark  
And I know it's forever night  
He tells me can you change forever  
My wicked heart

Father I'm here in the dark  
And I know my heart is the darkness  
Oh, tell me can you claim me never  
My darkest hour

Because nothing can change  
My wicked heart  
Nothing can tame  
My wicked heart  
Nothing unchains  
My wicked heart
