I'm a rebel, ooh, oh, oh, oh, ooh, oh

I live my life like a shot in the wind
If tomorrow don't come I know
I stole my share of fun for me

'Cause I'm too fast, too rad
I'm going wasted when I go
The cost of freedom's never free, no

It's the deep six, it's my fix
It's my best friend, ooh
'Cause it's my way or the highway
I tell you it's the living end

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me
And I say oh, yeah

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me
And I say oh, yeah

If you're fast ya might last
Show ya gotta go
A wild one in the decadent zoo
Ooh, I lick up all my seven deadly sins

'Cause I'm too hot, too cool
Oh, I've been playing in the fire of fools
I might burn but I'll burn in the wind, yeah

It's the deep six, it's my fix
It's the big jam, ooh
'Cause it's my way or the highway
I'll tell you what I am

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me

And I say oh, yeah

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me
And I say oh, yeah

Oh I, I feel the heat and I
I touch the flesh and bone
And I feel the kiss of fire

Too fast to live, too fast to die
Mom and daddy say
I'm dancing in the fire

Sometimes, sometimes I feel like an animal in a cage
I pace back and forth and look around
For something to sink my teeth into
But nobody knows what's going on inside me

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me
And I say oh, yeah

I'm a rebel in the F.D.G.
And I say only God in heaven knows
I'm a bad child, come and love me
And I say oh, yeah
