For so long now, I'm racing on in the wind
On this road, I'm moving on
I feel her heat, the desert sun burning skin
Never stopping, always on the run

Ooh, forever all I want is you here by my side
But I can't wait too long, no
Holding me, is like, taming the seven seas

I'm on restless gypsy, all I need
Is to catch the wind, where my heart's in
And I'm riding in the breeze
Call me restless gypsy, to the end
Riding free is all I need
My spirit's in the wind

Move too fast, no never hold me down
Catch me if you really think you can
Feel my touch, two lover cry that sound
Never, ever knowing who I am

Ooh, I want you closer baby, don't you take too long
'Cause tomorrow I'll be gone, yeah
And holding me, is like, holding the seven seas

I'm on restless gypsy, all I need
Is to catch the wind, where my heart's in
And I'm riding in the breeze
Call me restless gypsy, to the end
Riding free is all I need
My spirit's in the wind

Easy rider on the highway
Got the wind in my hair
Come on, you can touch me where I lay
Running free without a care

I'm on restless gypsy, all I need
Is to catch the wind, where my heart's in
And I'm riding in the breeze
Call me restless gypsy, to the end
Riding free is all I need

My spirit's in the wind

I'm on restless gypsy, all I need
Is to catch the wind, where my heart's in
And I'm riding in the breeze
Call me restless gypsy, to the end
Riding free is all I need
My spirit's in the wind

I'm on restless gypsy, all I need
