Why's my blood race
Why I gnash my teeth
Sand man's come here
With his misery
You wrought with pain
As you slash my flesh
Wrath's revenge lives again

Cane killed abel did his brother's deed
Cursed all time
Damned to spread his seed
Pricks to blind

Thorns in my side
Oh, slay they brother's life
I'll kill your pain on the seeds of cane
I ain't no stranger giving love
Don't ya plead
Oh won't ya bleed for me
Hells be raining from above

I'm coming home
Vengence be they name
I'm coming home
Revengeance scream my name

Oh your God's got you dying to be
Oh your marty's in the sand
I'll hunt you down like the dogs that you be
You Armageddon's in my hands
Come to me I'll set you free
Come to me will you die for me
