

W.A.S.P. "Rock Rolls On"

Visit "[Rock Rolls On](#)" on MotoLyrics.com

There's never a day
That's passing my way
That I never need it
My hands on the wheel
My foot's on the steel
Cuz I've gotta feel it

The rock rolls forever on
Like thunder coming down
I said the rock rolls forever on
Like thunder coming down

It flows through my veins
Like thunder and rain
And I can't live without it
I scream for the crowds
And turn it up loud
Cuz I've gotta shout it

The rock rolls forever on
Like thunder coming down
I said the rock rolls forever on
Like thunder coming down

Six string and lightning strikes
Don't make me blind
Turn it up
Bring down the peddle to the metal
Just one more time

The rock rolls forever on
Like thunder coming down
I said the rock rolls forever on
Like thunder coming down

Forever never stop
Forever never stop
