"Sister Sadie (& Her Black Habits)"

Strip off your things
And bow to your queen
Cleanse the sins of your life

Get on your knees
Don't beg and bleed
No one hears you, you belong to me

Reaper of your sorrow's seed
Black habits tonight
Your only sin was coming into Sadie's life

Sister of no mercy, please
I'm praying to die
Can I cleanse my orphan sins
And save my soul tonight? When

I don't believe, I don't believe
In a God of love
I won't deceive, I don't conceive at all

I don't believe, I don't believe
In a God above
I don't believe, I won't receive no more

What I do to thee
Was done to me
Sins of the fathers, lives

And do you feel
There's a God for real
Ooh, your only God is me

Reaper of my sorrow's seed
My screams in the night
My only sin was coming into Sadie's life

Sister of no mercy, please
I'm praying to die
Can I cleanse my orphan sins
And save my soul tonight? When

I don't believe, I don't believe
In a God of love
I won't deceive, I don't conceive at all

I don't believe, I don't believe
In a God above
I don't believe, I won't receive no more

Fucked for life
Blind and tied with nobody sees
Fucked for life
I'm the child no mother needs

I'm fucked for life
The cries of night for all Sadie's needs
Fucked for life
I'm the child nobody sees

Oh you, I'll make you think you're dying
This room cleansing time again
I'll take you to this house of sorrows
I'll break your neon heart of sin

Oh, are you going mad, I'm going fast
Habits in black, no coming back
No mercy me, this Hell is real
Why me ya see, she's here, killing me

I don't believe, I don't believe
In a God of love
I won't deceive, I don't conceive at all

I don't believe, I don't believe
In a God above
I don't believe, I won't receive no more
