Verse 1: Cappadonna

She a super model  
33 - 33 throttle  
Love the way her body shaped  
Shaped like a bottle  
Save it till tomorrow  
I'm like Zorro  
CC leaving marks on your titties  
Love you in your Nikes  
The sweet sea breeze  
Make me fall to my knees  
If it's possible  
Can I get a set of keys  
I swallow your tasty's  
BBC's they come in all varieties  
Hire me  
Hire CC  
I'm a liar  
But gimme, gimme  
My middle leg get you skimmy  
Take this shit like a shot of Remi  
Bend over let me introduce you to Rover  
Until it's over  
Now you sober  
Put your leg back on my shoulder  
I'm a scrub like you  
And plus one piece of ass'll just can never do  
My new 75 wives's coming through  
One female that live near the Bronx zoo

Had to be home no later than 2  
And the 2 twins with the hour curfew  
The light-skinned females one's you call Boo  
THE WAY I FEEL ABOUT YOU!(Wu Tang)

HOOK:Ghostface Killah

She a super model  
33 - 33 throttle  
Love the way her body shaped  
Shaped like a bottle  
Save it till tomorrow  
I'm like Zorro  
Starsky leaving marks on your titties

Verse 2: Cappadonna

Chocolate milk you look good in your silk  
Put your body on tilt  
Take me for 2 G's  
Even though we not married  
I make love to you  
You can call me Larry  
Call me anything  
Don't trap me with the ring  
I'm a one night fling  
On the road trying to sing  
Yeah you a queen but C-Donna ain't your king  
My dress code switch it make you wanna swing  
A little episode  
I would have done it before but now you look old  
Sex on the first night thats how I roll  
Fronting on a crust being assed in the cold  
Try to play live what?  
Lady on a stroll  
Rack my Versace but can't pay the toll  
All Cappuchino women y'all got to go  
The love that I feel for women is untold  
Sweet or sour ladies if you got babies  
If you wanted to hit a nigga off in the eighties  
Jump in the Mercedes girl it's all true  
THE WAY I FEEL ABOUT YOU!

Verse 3:Cappadonna

Knew a girl named Cindy  
Her sister named Don  
They used to come around with Shallah Raekwon  
A couple of years before the Wu was even on  
They love the way I dress captivated by my charm  
If you see me in the cut I'm just steadily calm  
It's a regular females be under my arm  
Ever since i got paid to start dropping the bombs  
I could take 2 women my nickname is LONG  
Crushing is involved I'm doing the James Bond  
Grant you a fantasy then I be gone  
That's under the hat the way I made you come back  
From the shoes to the hat  
All of my shit match  
I'm like a book of matches  
I'm always on strike  
I'm double-jointed I can do it how you like  
Come to Keisha house  
Yeah it's only right  
We can get together for a glass of ice  
And if the kids here something we can tell them it's a  
fight  
I love my 2 seeds more than my own life  
It's hard to escape punani appetite  
I see a pretty face I start falling in love  
No matter what baby girl I just can't get enough  
Because THE WAY I FEEL ABOUT YOU!
