"The tarot is fate", said the Gypsy Queen
And she beckoned me to glimpse my future she'd seen

She said, "Do you see what I see? Be careful to choose
Be careful what you wish for 'cause it may come true"

When I lay the card down will it turn up the fool?
Will it turn up sorrow? If it does then you lose

I'm the lost boy, can you help me?
Yeah, I'm the lost boy can you help me?

Jonathan

The illusion was real, a crimson idol I saw
But the higher he'd fly, then the further he'd fall

She said, "Do you see what I see? Be careful to choose
Be careful what you wish for 'cause it may come true"

When I lay the card down will it turn up the fool?
Will it turn up sorrow? If it does then you lose

I'm the lost boy, can you help me?
Yeah, I'm the lost boy, can you help me?

I just wanna be, I just wanna be, I just wanna be
The crimson idol of a million
And I just wanna be, I just wanna be, I just wanna be
The crimson idol of a million eyes
