A storm has come  
One war of sun and rain within me  
A raging storm  
Lost crossroads thundering in the wind

Dark and son  
Who's the only one to lay claim of me  
Altars of store  
Righteous temptations here at my feet

Give me love to rage in me  
Can you see, only love is saving me  
Give me love  
Oh, love that rages in me, only me

It rages on  
Of mourn and memories in the wind  
A warring storm  
My soul is bargaining in the end

Is there no sun?  
With only love in vain and it's pain  
Hear me, oh Lord  
Come cleanse me evermore with your blood of rain

Give me love to rage in me  
Can you see, only love is saving me  
Give me love  
Oh, love that rages in me, only me

Holy war for my soul  
Scars of memories remain  
Oh, tell me why am I here  
Storms of crossroads in rage

Give me love to rage in me  
Can you see, only love is saving me  
Give me love  
Oh, love that rages in me, only me
