=====

Bang, bang, banging in your head

You're banging on the walls

Hang, hang, hanging up yourself

You're hanging by your balls

And you, you die but no-one hears or cares

And hope's the rope that keeps you tied in knots

The torture never stops

The torture never stops

Suck, suck, sucking at the line

Your master sucks the juice

Shoot, shoot, shooting at you

And the hangman's noose is loose

And you, you cry but no-one hears or cares

And hope's the rope that keeps you tied in knots

The torture never stops

The torture never stops

Your master's beaten you bloody

Still you're running back for more

And every day, you lay down and pay the whore

The torture never stops

The torture never stops
