B.Lawless/C.Holmes)

Oh Thunderhead, you're a man with a  
problem

Ahh - old habits too hard to break

And soon you'll be dead from that poison  
that you're on

Oh - the venom that's worse than the  
snakes

And I say, hey, hey, hey

Oh no, hey-hey-hey

Oh no, hey-hey-hey - white thunder

Needles and pins a dead man you're in

So deep you'll never climb out

Hey-hey-hey

Oh no, hey-hey-hey

Oh no, hey-hey-hey - white thunder

A gun to your head, the trigger you're  
dead

It's quicker and there ain't no doubt

Oh thunderhead, tie it off you're in  
heaven

Oh you'll drown in the Heroin flood  
And die in your bed and sweat and detox  
You're leaving this world  
Oh your epitaph's written in blood  
And I said  
Hey-hey-hey  
Oh no, hey-hey-hey  
Oh no, hey-hey-hey - white thunder  
Needles and pins a dead man you're in  
So deep you'll never climb out  
Hey-hey-hey  
Oh no, hey-hey-hey  
Oh no, hey-hey-hey - white thunder  
A gun to your head, the trigger you're  
dead  
It's quicker and there ain't no doubt  
Killer - ya scream and ya bleed  
Thriller - you spread your disease  
Watch out, watch out  
Thunderhead - yes - I am your master  
Will you steal for me - yes  
Will you ruin yourself and give  
everything unto me - yes  
Will you lie, cheat, deceive, dishonor  
everything

And even kill thy brother for me -

yes, yes

Will you worship only me as your true

master - yes

Thunderhead, will you die for me - yes

master

Hey-hey-hey

Oh no, hey-hey-hey

Oh no, hey-hey-hey - white thunder

Needles and pins a dead man you're in

So deep you'll never climb out

Hey-hey-hey

Oh no, hey-hey-hey

Oh no, hey-hey-hey - white thunder

A gun to your head, the trigger you're

dead

It's quicker and there ain't no doubt
