=====

I'm a liar and I'm a cheat

I have no morals and I'm a thief

Pillage and plunder, curse those who enter

I am a killer and Tormentor

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)

I'm a sinner, I kiss the breast

I am a sadist that whips the flesh

I'll take the women, curse those who enter

I am a killer and Tormentor

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)

I am the lord of liars

And I command the force of Fire

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)

Tormentor (tormentor)
