Tell me now who slayed
Oh my little baby Jane
Rollin' down the stairs
Her little head has rolled away

I put it in my hands
'Cause it feels so bizarre
Can baby Jane come out to play?
Show me all you got

No, you don't wanna know
No, you don't wanna know
No, you don't wanna know
Who slayed baby Jane I know

No, you don't wanna know
No, you don't wanna know
No, you don't wanna know
Who slayed baby Jane

Can I rock your cradle?
I love it when you scream

Goodbye baby Jane
Who slayed baby Jane
She's all right, it's alright, oh my Jane
No more baby Jane
You got no pain baby Jane
So goodbye, goodbye, oh my baby

Oh, I love that fixed and dilated
Look that's in your eyes
I'll make you worse and more perverse
Than when you were alive

Oh, I'll wear her face
With a big demonic smile
If only she could scream
The she'd get me off tonight

No, you don't wanna know
No, you don't wanna know

No, you don't wanna know
Who slayed baby Jane I know

No, you don't wanna know
No, you don't wanna know
No, you don't wanna know
Who slayed baby Jane

Can I rock your cradle
Oh, I'll love it when you scream

Goodbye baby Jane
Who slayed baby Jane
She's all right, it's alright, oh my Jane
No more baby Jane
You got no pain baby Jane
So goodbye, goodbye, oh my baby

Goodbye baby Jane
Who slayed baby Jane
She's all right, it's alright, oh my Jane
No more baby Jane
You got no pain baby Jane
So goodbye, goodbye, oh my baby
