There's a place where I'm
Oh, with sorrowed lives
And all the souls
Oh, they're wishing they could die

Take me down and drown this the orphan forever
You know I do
Wish away the pain and wash away my life

Find me down inside a shallow pool
Down a wishing well
No more bleeding, no more screaming tonight

Wash away my pain
Oh, in the well of sighs
For I have no face, oh
Abandoned for all, for all time

Take me down and drown this the orphan forever
You know I do
Wish away the pain and wash away my life

Find me down inside a shallow pool
Down a wishing well
No more bleeding, no more screaming tonight

Why, why am I nothing?
Oh mamma, why?
Why'd you leave me?
A throw away for life

Oh, oh why, oh, why am I nothing?
Oh mamma, why?
Can you feel me here?
Oh God, I wanna die

[Incomprehensible]

Take me down and drown this the orphan forever
You know I do
Wish away the pain and wash away my life

Find me down inside a shallow pool
Down a wishing well
No more bleeding, no more screaming tonight

Find me down inside a shallow pool
Down a wishing well
No more bleeding, no more screaming tonight
