Sweeter than sugar,  
Better than spice,  
Come to me baby,  
And give me some nice, easy lovin'  
Old time, slow, easy lovin'  
Ooh with the lights down low  
Ooh your arms feel as long (as mother's oven)  
Easy lovin', easy lovin'

Like rocks on a mountain  
Leaves on a tree  
I'm for you, baby  
And what's good for me  
Easy lovin', tried an' true, easy lovin' baby  
Just between us two  
Whisper in my ear, like bees a buzzin'  
Easy lovin', easy lovin'

Don't make me nervous  
Shiver and shake  
A squeezin' an' teasin'  
Is all I can take  
Easy lovin', me and you, easy lovin' baby  
Like a good old school  
Make me feel all real, warm and kissin' cousin  
Easy lovin', easy lovin'
