I don't like gold and I don't like pearls  
Im just your regular West Australian fishermans  
daughter  
Im a middle class folk singing guitar playing girl

I aint seen the world no Ive not travelled far  
Im saving dollars for a nineteen sixty two  
Ruby red interior r series valiant mother f\*cking of a  
car

Coz Im a country girl and im in a city world pulling up  
Pulling all the man Im gonna let you through  
Im living in the left hand lane of my city  
Slow down so I can walk this highway with you  
Slow down, let me walk it with you

Slow down  
We all gotta slow down  
Man I wanna walk that highway with you  
Yeah i wanna be walking with you you you you you  
Slow down  
The whole world's gonna slow down  
I wanna walk that high way with you, with you you you  
you with you

No not yet married I got no ring on my hand  
I got my heart beating for this sweet loving  
Second hand dealing boy  
Im gonna luv him the best way I can I know I can

Coz Im a country girl in a city world pulling down  
Pulling all the man Im gonna let you through  
Im living in the left hand lane of my city  
Slow down so I can walk this highway with you  
Slow down let me walk it with you

I don't like gold and I don't like pearls  
Im just your regular West Australian fishermans  
daughter  
Im a middle class folk singing guitar playing girl
