We Drive An Old Beat Up Car  
We Play Outta Tune Guitars  
Mother Nature Keeps Us Safe  
Even When Were Off Our Face

A Waif Is All I Wanna Be  
Ts No Better For You No Worse For Me  
Youve Got A Mobile Phone And Heaps Of Money  
We Aint Got Much But At Least Were Free

You May Sit And Talk And Stare  
But he's Not Gonna Cut His Hair  
Not Goin To Patch My Jeans Or Wash My Face  
Goin To Keep On Being A Waif

A Waif You See Is An Unloved Child  
A Kid that's Stray And Gone Kinda Wild  
You Can Change, Change Your Look  
You Can Even Change Your Style  
But Why don't You Come And Live With Us For Awhile

We Pick Up Work When We Can  
Our Cloths Are All Second Hand  
Harmonicas Are Old And Used  
But We Still Know How To Play The Blues
