Lately, picture frames  
Make me crazy  
They're not the same  
As the one you gave me  
As a gift

Water tastes fine  
I prefer whiskey  
Alters my mind  
Makes me real dizzy  
Most of the time  
It's a spiritual kind of lift

But I'm not here to tell you more than I came to say  
It was all my fault I'm sorry, but it was no mistake

Spring will come soon  
So will the blooms  
The month of June  
My pursuit of you  
Will be all that is on my plate

Once I called you-  
Thought I was drunk

You hardly picked up  
In a bottle I sunk  
My friends say  
It was a mistake

I'm not here to tell you more than I came to say  
It was all my fault I'm sorry but it was no mistake

The pictures we take  
The hearts that we break  
They were no mistake

The times that we had  
The good and the bad  
Make me laugh

It was no mistake

It was no mistake

Lately I've no reception  
My phones on the fritz  
I've lost direction  
Without you I'm nothing
