I need a sign
To put the wheels in motion
Get the show on the road and
Have a good time
A touch of her hair
The smile on her lips
Girl I promise you this
I'll be there

I need a bite
Before we head down the highway
Girl if I had if my way
I would be there for life
But something calls
An' it's bigger than the both of us
Ooh when heaven's doors open up
God bless our souls

Well it's a run round run round run round rodeo
And I'm running outta things to say to you

A wha-ah-oh
I think it's better if we take this slow
Hold me tight an' we might
Just make it through

A wha-ah-oh
I didn't know
Life was a
Run around run around rodeo

Take my hand
We're heading out to the ocean
Don't slip away I guess use less lotion
A little less than we planned
And if we just stick together
I know we can make this
Ride the rodeo like we're weightless
On a cloud of heather

Well it's a run round run round run round rodeo
And I'm running outta things to say to you

A wha-ah-oh
I think it's better if we take it slow
Hold me tight and we might
Just make it through
A wha-ah-oh
I didn't know
Life was a
A run around rodeo
