The sky isn't always blue
The sun doesn't always shine
It's alright to fall apart sometimes, mmm
I am not always you
And you are not always mine
It's alright to fall apart sometimes
(CHORUS:)
After all is said and done
One and one still is one
When we cry, when we laugh
I am half, you are half
The heart isn't always true
And I am not always fine
We all have an angry heart sometimes
(CHORUS)
Look how far we have come
One and one still is
One moon (one moon)
One star (one star)
I love the one we are
One thread (one thread)
One line (one line)
Let's stand still in time
One moon (one moon)
One star (one star)
I love the one we are
One thread (one thread)
One line (one line)
That runs through our lives
(CHORUS)
Look how far we have come
One and one still is one ah
Ooh
