I know what boys like
I know what guys want
I know what boys like
I've got what boys like
I know what boys like
I know what guys want
I see them looking
I make them want me
I like to tease them
They want to touch me
I never let them
I know what boys like
I know what guys want
I know what boys like, boys
like, boys like me
But you, you're special
I might let you
You're so much different
I might let you
Mmmmm would you like that
I might let you
I know what boys like
I know what guys want
I know what boys like
I know what's on their minds
I know what boys like
I know what guys want
They talk about me
I got my cat moves
That so upset them
Zippers and buttons
Fun to frustrate them
They get so angry
Like pouty children
Denied their candy
I laugh right at them
I know what boys like
I know what guys want
I know what boys like,
boys like, boys like me
Na, na, nya, nya, nya, nya.....

I feel sad now
I will let you
Sorry I teased you
I will let you
This time I mean it
I will let you
Anything you want
You can trust me
I really want to
You can trust me
How would you like it
You can trust me
Sucker. Hmmmmm....
I know what boys like
I know what guys want
I know what boys like, boys
like, boys like me
Gny, nya, gna nyah nya.....
