Count on me through thick and thin
A friendship I will never end
When you are weak, I will be strong
Helping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say count on

I can see it's hurting you
I can feel the pain
It's hard to see the sunshine though the rain
I know sometimes it seems as if
It's never gonna end
But you'll get through it
Just don't give in 'cause you can

Count on me through thick and thin
A friendship I will never end
When you are weak, I will be strong
Helping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say count on
You can count on me, yes, you can

I know sometimes it seems as if
We're standin' all alone
But we'll get though it
'Cause love won't let us fall

Count on me through thick and thin
A friendship I will never end
When you are weak, I will be strong
Helping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say count on

There's a place inside of all of us
Where our faith in love begins
You should reach to find the truth in love
The answers there within

I know that life can make you feel
It's much harder than it really is
But we'll get through it, just don't give in

Count on me through thick and thin
A friendship I will never end
When you are weak, I will be strong
Helping you to carry on
Call on me, I will be there
Don't be afraid
Please believe me when I say count on
Count on me

Yes, you can, no, I can, sure you can
So glad I can, count on me
