My love, sweet love
With you nothing else matters
You're my heart and my heart is yours

My love, sweet love
For me there's no one better
Cross my heart, I could not love you more

And I swear to you, there's no one more important
And I trust you with my life
So I pledge my heart to you

My love, sweet love
With you nothing else matters
You're my heart and my heart is yours

My love, sweet love
For me there's no one better
Cross my heart, I could not love you more

'Cause with you my world
Is filled with so much pleasure
When I'm blind, you are my eyes
So I pledge my trust to you

My love, sweet love
With you nothing else matters
You're my heart and my heart is yours

My love, sweet love
For me there's no one better
Cross my heart, said, I could not love you more

And I swear to you, that I will always love you
And I trust you with my heart
So I pledge my world, I pledge my world
I pledge my world to you

My love, sweet love
With you nothing else matters
You're my heart and my heart, my heart is yours

My love, sweet love
For me there's no one better
Cross my heart, I could not, I could not love you more
