Not everybody knows just how to do it
Some just learn it on the way
Once you get it right, ain't nothin' to it
If you wanna get it right, you gotta learn to pace

Make it smooth, take your time
Make it groove, in, out, in
Make it last
Kiss, kiss, kiss, kiss my ah, ah

This is how it works
Wrap your hands around my body
This is how it works
Go due south

And this is how it works
Melt yourself into my body
This is how it works
Kiss my mouth

Some guys think they know the answers
Everybody knows how to make you scream
If most guys took time out their fantasies
Maybe we could stop our make believe

Make it smooth, take your time
Make it groove, in, out, in
Make it last
Kiss, kiss, kiss, kiss my ah, ah

This is how it works
Wrap your hands around my body
This is how it works
Go due south

And this is how it works
Melt yourself into my body
This is how it works
Kiss my mouth

Ready, set, go
You don't have to know

We can take forever, learn together any flow
Touch me slow, watch it grow
Kiss the tip, gently blow, be my ho and take the show
We can watch it in slow-mo, when the sweet and low
drips
Don't forget to let me wet my finger tips
Write love letters back and forth across your lips
Spread my hips, count to eighty, eighty ways, eighty
trips

One time for you mind
Two times if you're tense baby, let it unwind
Three counts, let it bounce
To the mothafuckin' ounce
Here we go, now you know 4th down
Let it flow back around, come on
Kiss my, kiss my

This is how it works
Wrap your hands around my body
This is how it works
Go due south

And this is how it works
Melt yourself into my body
This is how it works
Kiss my mouth, yeah

Is the way it works
Is the way it works
Is the way it works
This is how you melt my body

Is the way it works
Is the way it works
Is the way it works
This is how you melt my body

This is how it works
Wrap your hands around my body
This is how it works
Go due south

And this is how it works
Melt yourself into my body
This is how it works
Kiss my mouth

This is how it works, yeah
This is how it works, yeah
This is how it works, yeah

This is how it works, yeah
