Search the skies.
There's darkness only
Moments after light.
Then it fades.
The horizon forms
Into a massive wave.
So run
And hide.
You're the only one
That thinks you should stay alive.

If she's the undertow, she's taking everything I own,
And pulls me out to sea and begs for me to drown.

Not without a fight
She begs for me to drown (Justin)
And then my eyes
See water all around (Justin)

Feeling the building sway,
Tends to make me nauseous.
The blinds are dimming gray
As it comes to get whatever it wants.

She won't stop until everything's demolished. [x2]
Soon all of us will be leagues under.
She won't stop until there's just gray and no more lines.

If she's the undertow, she's taking everything I own,
And pulls me out to sea and begs for me to drown.

If she's the undertow, she's taking everything I own
And she begs for me to drown.

And with the final blow, I feel the floorboards go

If she's the undertow, she's never letting go.
And your lips are tightly bound.

Not without a fight

She begs for me to drown (Justin)
And then my eyes
See water all around (Justin)
Not without a fight [Repeat until end]
