I close my eyes and even when IÂ'm sleeping IÂ'm
alright
Cause you are in my life
Once upon a time
I only imagined this
And now youÂ're mine
Wished for you so hard
Pray that youÂ'd find me
Maybe youÂ're here today
Here to remind me

If you believe that dreams come true
ThereÂ's one thatÂ's waiting there for you
Cause I believed when I saw you that when you want
something enough
Then it canÂ't escape your love
There is nothing in the world that cannot be
If you believe

Everybody said that I was a fool to think that we
connect
(Everybody said that) I couldnÂ't get my heart out of
my head
They just didnÂ't see
No they just couldnÂ't know
The feeling that you get
The places that you go

If you believe that dreams come true
ThereÂ's one thatÂ's waiting there for you
Cause I believed when I saw you
That when you want something enough
Then it canÂ't escape your love
There is nothing in the world that cannot be
If you believe

Never wished for material things
Never needed wind in my wings
I never wished for anything but you...
I canÂ't explain it
Someone just told me
Go where your heart is youÂ'll never be lonely

If you believe that dreams come true
ThereÂ's one thatÂ's waiting there for you
Cause I believed when I saw you that when you want
someone enough
Then they canÂ't escape your love
There is nothing in the world that cannot be
If you believe
