Ninety miles outside Chicago
can't stop driving
I don't know why
so many questions
need an answer
two years later
you're still on my mind

Whatever happen to Amelia Earhart
who holds the stars up in the sky
is true love just once in a life time
did the captain of titanic cry

(chorus)
someday we'll know
if love can move a mountain
someday we'll know
why the sky is blue
someday we'll know
why I wasn't meant for you

Does anybody know the way to Atlantis
or what the wind says when she cries
I'm speeding by the place that i met you
for the ninety-seventh time... tonight

(chorus)
someday we'll know
why Sampson loved Deliah
one day I'll go
dancing on the moon
someday you'll know
that I was the one for you
(yeah yeah yeah yeah)

I bought a ticket to the end of the rainbow
I watched the stars crash in the sea
if I could ask God just one question
why aren't you here with me... tonight

(chorus)
