It's getting dark 'n' all the creatures start to live  
We cannot do no more than go 'n' hide in the bin  
We cannot move

They rule the kitchen and  
there's nothing that can be done  
they mess the bedroom  
while we're waiting for the sun  
we cannot move

The fridge is coming down I hear that sound again  
there's food all over the floor  
it's all a part of their game  
we cannot move

And if we do they'll know  
we're hiding in the bin  
it's a matter of life 'n' death,  
a game we cannot win  
we cannot move  
no we cannot move!
