

Wall Of Sleep "Far Away From Sunrise"

Years draw the madness years draw the smile on my
face

The coast I've been leaving behind

So far as the coast of the grace

This doubt always shields me

Covers me up with its veil

Between sunrise and sunset

There is a life coloured with pain

Far away from sunrise

Far away from sunrise

Tears feed my sorrow

I come and go I'm arrived and left

I have been living for nothing

For a couple of days torn to shreds

Far away from sunrise

Far away from sunrise
