I've failed, I've failed, I've failed
I've failed once again
And I've begged, I've begged, I've begged
For you to understand that

Hey, hey
Anger heals
Anger blooms, yeah

There's so many things I could say
There are so many faceless lies
But my fists don't belong in my pockets
When it's time to fight
And I'm so afraid this is all that I have
The magic is gone and I'm simple again

I've led, I've led, I've led
Myself into this mess yeah
And I've sinned, I've sinned, I've sinned
For blaming everyone but myself and

Hey, hey
Anger heals
Anger blooms, yeah
There's so many things I could say
There are so many faceless lies
But my fists don't belong in my pockets
When it's time to fight
And I'm so afraid this is all that I have
The magic is gone and I'm simple again

And I've failed, and I've begged
And I've led, and I've sinned
And I've led, and I've sinned, and I've begged
Back Off

And I'm pulling hair hair and I'm biting my nails
I pretend that I'm fine but I lie to myself
And I'm so uninspired left with no words to say
I'm so deperate now but I know that it's all in my head
