Here I am
Making a stand for me
There you are
Standing too close to me
Your eyes see my truth
Reaching out for you
Both hearts burning
Yearning for something more
Oh by the love that hurts in your eyes
And the taste that I adore

I could have a shred of faith
For the picture painted in my dreams
And the memories that we create
So bittersweet

Here we are
Searching for a reason
There we go
Trying to make believe
My heart beats your name
And your body is aching
Both hearts wanting
But fearing what could become
So long searching
Each finds the other one

I could have a shred of faith
For the picture painted in my dreams
And the memories that we create
So bittersweet
