Do I attract you?  
Do I repulse you with my queasy smile?  
Am I too dirty?  
Am I too flirty?  
Do I like what you like?

I could be wholesome  
I could be loathsome  
I guess Im a little bit shy  
Why dont you like me?  
Why dont you like me without making me try?

I try to be like Grace Kelly  
But all her looks were too sad  
So I try a little Freddie  
Ive gone identity mad!

I could be brown  
I could be blue  
I could be violet sky  
I could be hurtful  
I could be purple  
I could be anything you like  
Gotta be green  
Gotta be mean  
Gotta be everything more  
Why dont you like me?  
Why dont you like me?  
Why dont you walk out the door!

How can I help it  
How can I help it  
How can I help what you think?  
Hello my baby  
Hello my baby  
Putting my life on the brink  
Why dont yo like me  
Why dont you like me  
Why dont you like yourself?  
Should I bend over?  
Should I look older just to be put on the shelf?

I try to be like Grace Kelly  
But all her looks were too sad  
So I try a little Freddie  
I've gone identity mad!

I could be brown  
I could be blue  
I could be violet sky  
I could be hurtful  
I could be purple  
I could be anything you like  
Gotta be green  
Gotta be mean  
Gotta be everything more  
Why don't you like me?  
Why don't you like me?  
Why don't you walk out the door!

Say what you want to satisfy yourself  
But you only want what everybody else says you should  
want

I could be brown  
I could be blue  
I could be violet sky  
I could be hurtful  
I could be purple  
I could be anything you like  
Gotta be green  
Gotta be mean  
Gotta be everything more  
Why don't you like me?  
Why don't you like me?  
Why don't you walk out the door!
