Breathe me like you breathe air
Drink me and do it once again
Consume me you're my sweet anarchy
And taste me with your deadly kiss

Come on baby wrap around my waist
Search morbid desire that I can't escape
Whisper that you love me love me
Do those things you do
Take me to your bedroom
I wanna make love to you
Wanna make love to you
Wanna make love to you

And in your skin
I'll be an explorer
Without a care
Trust me
And I'll be the pilgrim
Of your horizons
I'll be ready to leave
Every moment
Wrapped around you

Crave me and let me crave you too
Touch me lay me down for good
Kiss me anywhere you want
And eat me half dead and half alive
Come on baby wrap around my waist
Search morbid desire that I can't escape
Whisper that you love me love me
Do those things you do
Take me to your bedroom
I wanna make love to you
Wanna make love to you
Wanna make love to you

And in your skin
I'll be an explorer
Without a care
Trust me
And I'll be the pilgrim

Of your horizons
I'll be ready to leave
Every moment
Wrapped around you
