Iâ'm not looking
For a warm embrace
Iâ'm not looking
For a friendly face
Iâ've got
Everything I need
Iâ'm not worried
If youâ're coming back
Iâ'm in a hurry
Causeâ' I just found out
Iâ've got
Everything I need
Iâ've got
Everything I need
So even if you wanted toâ...

You canâ't save me
You canâ't fail me
Iâ'm back up on my feet baby
In the way down
Is when I found out
That I got everything I need

Iâ'm not looking
For a hand to hold
Iâ'm not waiting
For someone to show
Iâ've got
Everything I need
I never found a wall
I couldnâ't climb
I never seen a well
As deep as mine
Iâ've got
Everything I need

Iâ've got
Everything I need
So even if you wanted tooâ...

It doesnâ't matter
If Iâ'm qualified

Or if I ever learn
To blow your mind
IÂ've got
Everything I need
IÂ'm not looking
For a place to shine
I wake up
And IÂ'm satisfied
IÂ've got
Everything I need
IÂ've got
Everything I need
So even if you wanted tooÂ...
