Senorita

Looks like you aint done nothing good
When it aint supposed to do
Oh no no no no
I seen her downtown
bout an hour ago
Behind the glass at a peep show
I got nervous cause I dont know
Can she see me behind that window?

Its almost nine and Im back in line
I cant get the girl with the spanish tears
Out of my mind
Ive got to make her mine, all mine
But somethin is wrong
She dont belong
She oughta be back where shes from
Maybe back on this mexico city
Man, I dont know her
But she sure is pretty

Chorus:

But God dont make lonely girls
Sure didnt want em in his world
God dont make lonely girls
Yeah, yeah, doo doo doo doo

Now when I make that girl all mine
Im gonna stand by her
Once I get inside of
Her barbed wire
Once I get inside
I bet shed look good in a brand new dress
She never felt good in her fish net
Shes got to be this towns best mess
But it aint nothin that her face would suggest

(chorus)

I gotta make her see
Im a guarantee

Oh, if shed only come along with me
Well I can make her see
Gonna take a walk right through these walls
cause shes comin home with me
I aint even gonna touch her at all
Man, Im only gonna lay awake and watch her sleep

(chorus)
