Alone tonight in somebody's bed  
She gone and dyed her hair red  
She only went and did what she did  
'Cause he would drive her home then  
There's lipstick on her new dress  
She hadn't even paid yet  
But it doesn't matter where the money went  
It wasn't how she paid 'er rent

One, two, three Marlenas  
There's got to be someone we can trust  
Out here among us

Now lookin' out across the city lights  
She thought they'd be a good pair  
Now he could make a living sellin' cars  
Maybe she could work there  
She's gonna pick a star in the night  
And pray to make it all right  
She tried so hard not to pick a kite  
She always prayed to heaven lights

One, two, three Marlenas  
There's got to be someone we can trust  
Out here among us  
One, two, three Marlenas  
It's see no, speak no, hear no evil about us  
The three Marlenas

Man, I think I'm gonna buy myself a Rolls  
Maybe a Chevrolet  
One where I can pull that top down  
Just let my radio play  
Now I'm headin' out on that highway  
I'm goin' right out of state  
Now I ain't lookin' back until I'm gone  
Right through heaven's gates

One, two, three Marlenas  
There's got to be someone we can trust  
Out here among us  
One, two, three Marlenas

Ya see no, speak no, hear no evil among us  
The three Marlenas  
Three Marlenas  
Three Marlenas
