It was a brief mad affair
A place where men don't dare
But man has no place for me here
In the distance there was fun
In front of me there was none
And reservation stared me in the eye

Silently volatile
You broke me down on trial
And asked me if I changed my life
No thanks, not tonight

Oh oh oh blossoms in the street
Nearly, lost in pleasantries
Nearly, pushed me off my feet
There is, someone who believes in me
Someone who believes in me

Ba da ba da bom bom bom...owwww

So I put my...guns away
I shaved my legs today
And hope someone may want to touch my...skin
So don't bother to be coy
All it does is annoy
Is this where we start, is this where we begin?

Silently volatile
You broke me down on trial yea
And asked me if I changed my life
Oh well, no thanks, not tonight

Oh oh oh blossoms in the street
Nearly, lost in pleasantries
Nearly, pushed me off my feet
There is someone who believes in...
blossoms in the street
Nearly, lost in pleasantries
Nearly, pushed me off my feet
There is someone who believes in...
blossoms in the street
Nearly, lost in pleasantries

Nearly, pushed me off my feet
There is, someone who believes in me
Someone who believes in me
Someone who believes in me
