Moonlight Falling
Sunlight's lifting
The light, the life in me

Sometimes screaming
Keeps me breathing
Alive, alive and free

Only ghosts of memories
Warm the coldest nigh
The crooked light that holds the night
Won't hold me tonight

Feel the beating
Of my heart and
It's running like I'm on my way
I'm coming, I'm almost there.
Feel the temper, it's rising,
Like an ocean gonna float away
I'm coming, I'm not afraid.
Ooh I'm not afraid.

Someone's watching
Always with me
To guide or frighten me
I close my eyes, open, nothing
But I am not afraid

Only ghosts of memories
Warm the coldest nights.
The crooked light that holds the night
Won't hold me tonight

Feel the beating
Of my heart and
It's running like I'm on my way
I'm coming and I'm almost there.
Feel the temper, it's rising,
Like an ocean gonna float away.
I'm coming, I'm not afraid.

Feel the beating
Of my heart and
It's running like I'm on my way.
I'm coming and I'm almost there.
Feel the temper
It's rising
Like an ocean gonna float away
I'm coming, I'm coming, I'm coming
I'm coming now
