You know Lord it's been awhile since I talked with you  
I've been so galdarnd busy with that crop and all and  
Well, I guess I just forgot to take time out.

But I ain't a-forgettin' that crop you done give us this  
year  
Hmm, and that little heifer you brought us is growing  
like a weed  
Yes sir, without that crop Lord  
I guess I'd a had to do without that new plow  
And ma wouldn't have that new Sundry dress she's so  
proud of now.

Ah, I guess we wouldn't have a lot of thing Lord if it  
weren't for you  
And that new church in the valley, Lord  
Well, that's about the finest thing you could ever do.  
The towns might proud of it  
We're all gonna be there at Christmas day too.

Oh, you know Billy's gonna make it home  
From the Army for Christmas this year  
And we all want to thank you for that  
'Cause we sure do miss him.

It seems like just yesterday  
We was buying him Christmas toys  
And he was a runnin' all over the house  
Makin' a lot of noise.

You know ma and me we laugh about that every now  
and then  
Aw, it's gonna be good to have him home again  
Well Lord, I suppose I used up about all of my time  
And there must be lots of others a-waitin' in line.

I reckon during this time of year  
Lots of people is a-waitin to share the Christmas cheer  
So don't you worry non about us Lord  
Cause me and my family is gonna have a merry  
Christmas

And a happy New Year...
