The boll weevil am a little black bug  
Come from Mexico they say  
Came all the way from Texas  
Lookin' for a place to stay  
(Just lookin' for a home)  
Just lookin' for a home.

The first time I seen a boll weevil  
He was sittin' on a square  
The next time I see a boll weevil  
He had his whole darn family there  
(Just lookin' for a home)  
Just lookin' for a home.

--- Instrumental ---

The farmer took the boll weevil  
And he throwed him in the red hot sand  
The boll weevil told the farmer  
I'll stand it like a man.  
(This'll be my home)  
This'll be my home.

The boll weevil took the cotton  
The merchant took the rest  
All that's left for the farmer's wife  
Is one old torn up dress. ?  
(It's full of holes)  
It's full of holes.

If any one should ask you  
Who it was who lerarned you this song  
It was just an old farmer they called old willie  
Now that old fellow's gone  
(He found a home)  
He found a home.

(He found a home.)  
(He found a home.)  
(He found a home.)  
(He found a home.)

(He found a home...)
