...And even when you say goodbye,  
If your voice has  
"I don't want to go" in it,  
Say goodbye with a little "hello" in it...

Shalom, Shalom,  
You'll find Shalom  
The nicest greeting you know;  
It means bonjour, salud, and skoal  
And twice as much as hello.  
It means a million lovely things,  
Like peace be yours,  
Welcome home.  
And even when you say goodbye,  
You say goodbye with Shalom.  
This is the land of Milk and Honey  
This is the land of sun and song and  
This is the world of good and plenty  
Humble and proud and young and strong and  
This is the place where the hopes of the homeless  
and the dreams of the lost combine  
This is the land that heaven blessed and  
This lovely land is mine  
This lovely land is mine  
This lovely land is mine  
This lovely land is mine!
