Milk & Honey
"Layla"

[Honey]
I know what you're saying
I've been watching every single move you make
But you are keeping on playing
This is all I can take, you're such a fake

[Milk]
You wanna be a heart-breaker
But I won't believe in another lie
I used to be a risk taker
But I know it's time for us to say goodbye
Don't ruin my day just get out of my way
I don't believe anything that you say

Layla, Layla
Into the night I go
Layla, Layla
Don't try to find me, no
Free as I wanna be
See who I wanna see
Gonna follow my heart
Where it takes me
Layla, Layla
Into the night I go

[Honey]
I can't believe what you're saying
You're trying to hurt me
But you're such a dork to me
How can you think that I'm staying?
Stop dreaming, get back to reality

[Milk]
Why are you acting so shady?
I can see that you have no respect for me
I don't wanna be your lady
I'm strong enough
I get off being free

Don't ruin my day just get out of my way
I don't believe anything that you say

Layla, Layla
Into the night I go
Layla, Layla
Don't try to find me, no
Free as I wanna be
See who I wanna see
Gonna follow my heart
Where it takes me
Layla, Layla
Into the night I go
