No no,
No no,
No no,
No no,
No no,
No no,
No no,
No no,
No no,
Everybody in the club was high on dancin',
Just movin' to the grove.
I can see it in your eyes,
know what you're thinking,
And you wanna make your move.
See you lookin' at my man,
You gotta have him,
But he would not agree.
He would never leave a girl who truly loves him,
He won't cheat on me.
Chorus:
Hey lady can't you see
He's Mon Cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
Hey lady can't you see
He's Mon Cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
No no,
No no,
No no,
No no,
I don't wanna start a fight but if you make me,
I'm gonna take you down.
Better get outta here on your own,
Otherwise I will chase you out of town.
I never ever met a girl who didn't try to,
Get a hold on what is mine.
You better think twice or you'll regret it,

Don't try 'cause
Chorus:
Hey lady can't you see
He's Mon Cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
Hey lady can't you see
He's Mon Cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
Hey lady can't you see
He's mon cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
Hey lady can't you see
He's mon cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
No no,
No no,
No no,
No no,
Chorus:
Hey lady can't you see
He's mon cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
Hey lady can't you see
He's mon cherie.
Don't be jealous of me
Baby Sayla Vee.
Can't you see the sign that the boy is mine,
He belongs to me don't waste your time.
