(Honey)

It was the 1000sth night
It was time to die
And take one last chance
To escape that reality
To step into double fantasy
(both) Hahah WE LOVE
(honey)yeah
(honey) Hypnotize Hypnotize
(honey) uh-huh

(Milk)

We want to play you

(honey)

Hope you let me open up that door
Don't you know what it's for
It's a door to a parallel reality
Controversy ecstasy
One on one two for you(oo)
(talks) You know how we do

(Milk)

Let me play it though without you leading
Let me take it really slow (take it really slow)
Unless you've seen it you would not believe we love(ee)

(Honey)

(talk) To entertain you

(Both)

WE LOVE

(milk)

Were breaking every rule
This is the night where you
Come into double trouble

(both)

In a dual do

WE LOVE

(Honey)

You won't believe it's true
Good things that come in two

(Milk)
We like to play you

(Honey)
(talks) Yeah
I like the look in your eyes
Like it when you are surprised
We will get to hypnotize over your fantasy
Controversy Ecstasy
One on one two for you(oo)

(Both)
(talks) This is how we do

(Milk)
Let me play it though without you leading
Let me take it really slow (take it really slow)
Unless you've seen it you would not believe we love(ee)

(Honey)
(talk) To entertain you

(Both)
WE LOVE
(milk)
Were breaking every rule
This is the night where you
Come into double trouble
In a dual do
(both)
WE LOVE
(Honey)
You won't believe it's true
Good things that come in two

(Milk)
We want to play you

(Both)
